

Song to the Sea

DJ Antoine

Dududu- dududu

I beg you raise your water to the feet tonight.
So I can dip my toes, and remember what it's like.
Just feeling free and having all the time I need, this is why I
sing the song to the sea.

Dududu- dududud
Du du duuu.

This is why I, this is why I
sing a song to the sea.
This is why I sing song, this is why I sing a song to the sea.
Dududu, dududu

I think of soul, and sun, and ??
I think of how I...
Im just ridin on, nobody tells me where to be, and this is why
I sing a song, this is why I sing a song, this is why I sing a
song- to the sea.
Dududu- dududu- dududuuu

This is why I sing a song to the sea.
This is why I sing a song to the sea- to the sea.
This is why I, This is why I- sing a song to the sea.
This is why I sing a song, This is why I sing a song to the sea
