

When You Want Some Love

DJ Antoine

When you call me up
And you drunk as fuck
You know I'll show up
When you want some love
You just tell me where
I'mma ride right there
You know I'll show up
When you want some love

When you want some love
Lo-lo-lo-lo-lo-love

When you want some love
Lo-lo-lo-lo-lo-love

When you want some love
Lo-lo-lo-lo-lo-love

When you want some love
Lo-lo-lo-lo-lo-love

You're leaving me on "read" with no reply
So when you hit me back I know exactly why
I never gotta doubt what's on your mind
You never gotta doubt I'll be there on a dime

I can't say no
When you say go
I'm yours on the low, on the low, on the low

When you call me up
And you drunk as fuck
You know I'll show up
When you want some love
You just tell me where
I'mma ride right there
You know I'll show up
When you want some love

When you call me up
And you drunk as fuck
You know I'll show up
When you want some love
You just tell me where
I'mma ride right there
You know I'll show up
When you want some love

When you want some love
Lo-lo-lo-lo-lo-lo-love

When you want some love
Lo-lo-lo-lo-lo-love

When you want some love
Lo-lo-lo-lo-lo-love

When you want some love
Lo-lo-lo-lo-lo-lo-love

I really don't care if it's day or night
I'm gonna go there when I see that phone screen light
It could be 9 PM or morning time
I'll be right over soon as you hit my hotline

I can't say no
When you say go
I'm yours on the low, on the low, on the low
I can't say no
When you say go
I'm yours on the low, on the low, on the low

When you call me up
And you drunk as fuck
You know I'll show up
When you want some love
You just tell me where
I'mma ride right there
You know I'll show up
When you want some love

When you want some love
Lo-lo-lo-lo-lo-lo-lo-love

When you want some love
Lo-lo-lo-lo-lo-lo-love

When you want some love
Lo-lo-lo-lo-lo-lo-love

When you want some love
Lo-lo-lo-lo-lo-lo-love
