

Win It All

DJ Antoine

We got it good
We got it so so good, yeah
Got to be strong
Got to keep moving on, yeah
The flag on my chest tells you where I call home
And we will never walk alone
Oh no, we'll never walk alone
And oh-ooh, let's set it off today
Ain't no turning back
We've come too far to run away
And oh-ooh, our voice is like a wave
And we can all move mountains
Cause a little goes a long, long way

Cause out of one comes many
So let's enjoy the beauty of life
And we don't need too much
You know a little goes a long, long way
We can win it all, yeah yeah

We've got a good thing going on here
Living in the moment right now
Anything that you really want you can get
We'll figure it out somehow (how, how)
You got me flexing on my skills (yeah yeah)
Testing how I feel (yeah yeah)
I keep on turning my wheels out here
I'm bound to make it back home
(Bound to make it back home)
I gotta keep it for real though, yeah
This is not a drill though, yeah
Push it a little up on me
Cause a little goes a long, long way

Cause out of one comes many
So let's enjoy the beauty of life
And we don't need too much
You know a little goes a long, long way
We can win it all, yeah yeah

Win it up
Win it up
Worldwide Imma take home the cup
Blue eyes I'm like hey girls what's up
You can do anything that you want

Win it up
Win it up
I'm tryna give the world what it wants
A little more grind
A little more love
Cause a little goes a long, long way

Cause out of one comes many
So let's enjoy the beauty of life
And we don't need too much
You know a little goes a long, long way

We can win it all, yeah yeah
