

Are You Ready To Party

DJ Bobo

Are you ready to party
Are you ready to dance with me?
Are you ready to party
Are you ready to dance with me?

Everybody, let's wave those hands,
Come on people, it's time to dance,
Say oh, yeah!

Back in town, were here to rock,
Lets get ready, lets hit the spot,
Say oh, yeah!

Everybody, now come with me,
Can you feel the energy,
Say oh, yeah!

Ready for the night, lets go!
Heaven's here, we start the show!
Say oh, yeah!

We will rock you! Get up on your feet!
We will rock you! Sing to the beat!
We will rock you! Get up and party!
We will rock you everybody!

Are you ready to party
Are you ready to dance with me?
Are you ready to party
Are you ready to dance with me?

Everybody, lets raise the roof!
Party people, can you feel the roof?
Say oh, yeah!

Let the rhythm run through your veins!
Can you feel it, lets go insane!
Say oh, yeah!

Everybody, let's scream and shout!
Come on people, lets get alive!
Say oh, yeah!

Let the music take control!
Feel the power, come let it roll!
Say oh, yeah!
