

Bye Bye Bye

DJ Bobo

Yes, girl
Don't say goodbye
It's time for
Tiki jambo...

Waiting for tonight, I wish you were here by my side
I got a feeling I can't hide
Girl, I can't hold it, I can't fight
When you're next to me, I'm in ecstasy
Girl, you turn my life around
You turn my whole world upside down
You're the one I've searched and found
Girl, I'm gonna be your fool, your clown

You shine like a star
Get off my dreams into my car
Don't break my heart
Don't stop before we start

Oh, bye, bye, bye, baby, time to say goodbye
A little, little too high, before we touch the sky
Bye, bye, bye, baby, time to say goodbye
A little, little too high, before we have to life

Oh, oh, oh, oh, oh, oh, oh, oh, oh
A tiki jambo, tiki jambo, tiki taki
Tiki taki bailando
Oh, oh, oh, oh, oh, oh, oh, oh, oh
A tiki jambo, tiki jambo, tiki taki
Tiki taki bailando

You're always on my mind
I'm getting, getting crazy, getting high
Got desire deep inside
Oh girl, it feels strong like dynamite
I know the time is right, let's get it on tonight
There's something in the air
You're an extraordinary girl
You're perfect, you're so fly
Don't run away, don't say goodbye

You shine like a star
Get off my dreams into my car
Don't break my heart
Don't stop before we start

Oh, bye, bye, bye, baby, time to say goodbye
A little, little too high, before we touch the sky
Bye, bye, bye, baby, time to say goodbye
A little, little too high, before we have to life

Oh, oh, oh, oh, oh, oh, oh, oh, oh
A tiki jambo, tiki jambo, tiki taki
Tiki taki bailando
Oh, oh, oh, oh, oh, oh, oh, oh, oh
A tiki jambo, tiki jambo, tiki taki
Tiki taki bailando

Bye, bye, bye, baby, time to say goodbye
A little, little too high, before we touch the sky
Bye, bye, bye, baby, time to say goodbye
A little, little too high, before we have to life

Oh, oh, oh, oh, oh, oh, oh, oh, oh
A tiki jambo, tiki jambo, tiki taki
