

Robin Hood

DJ Bobo

Don't play hide-and-peek
I'm gonna find you, baby
Don't play hide-and-peek
'Cause, girl, you drive me crazy

Run (5x)
Don't have to run away
Run (5x)
I'll find you anyway

Don't play hide-and-peek
I'm gonna find you, honey
3, 2, 1
Yeah, let's have some fun

You're my queen and I'm the king
'Cause love is changing everything
You're like a splash
You're like a flash
(2x)

Oh, oh, oh, believe me
I wanna be you're Robin Hood
Oh, oh, oh, believe me
Don't let me be misunderstood

I wanna be you're Robin Hood

Straight into my heart
Like Cupid's arrow
You shot straight into my heart
Like Cupid's arrow

You should (fly (5x))
It's an emergency
Fly (5x)
You are my destiny

Straight into my heart
I'm gonna find you, honey
3, 2, 1
Yeah, let's have some fun

You're my queen and I'm the king
'Cause love is changing everything
You're like a splash
You're like a flash
(2x)

Oh, oh, oh, believe me (oh, oh)
I wanna be you're Robin Hood (oh, oh)
Oh, oh, oh, believe me (oh, oh)
Don't let me be misunderstood (oh, oh)

Oh, oh (4x)

Come with me, don't run away

Fly above me, you'll be okay
You'll be loving me, night and day
'Cause a girl like you won't run away

I'll be with you for a long time
Not just for this one time
Every night and day
And if you need me, call my name

Oh, oh, oh, believe me (2x)

Oh, oh, oh, believe me
(You've gotta believe me)
I wanna be you're Robin Hood (oh, oh)
Oh, oh, oh, believe me
(You've gotta believe me)
Don't let me be misunderstood (oh, oh)

Oh, oh, oh, believe me
Oh oh (4x)
(2x)
Don't let me be misunderstood (oh, oh)
