Glrddd  
Mhmmmm mmmmm mhmmmm  
Murder, Stay Murder  
Big Dude, Bankroll  
Murdering, killing everything

Where I'm from it ain't safe, (safe)  
Little bitch you fucking gone play her route to plead her case (her case)  
Haters watch my pages 'cause I'm puling it in they face (they face)  
200 solid I get money, can't miss a play

Flew from Memphis spent 15000 on nothing but dracs (dracs)  
Stepping for this brand I sacrifice it on my face (Redrum)  
I don't speak to niggas that turnt they backs they love off hate (fuck em)  
Micro go take your face I send members (Glrddd) they won't be late (gldrddd)  
)

Redrum wizard invisible killers, we known to bust  
Murder village, Everybody killers that's known for us  
Stay up out the police way cause they think they on to us  
Every time a body drop the police is blaming us (blame us)

They know we dangerous (dangerous), we turn shit to angel dust (dust)  
Top Dog ain't changing up (up) and no they can't hang with us (with us)  
Lost a lot shit that came with this shit left a stain on trust (trust)  
I got some veins that busted my temper a training wolf

Mmmhhmmmm

Redrum is my army (it's my army)  
I move as an army (I move as an army)  
I move as an army  
Killers on a loose they gonna shoot when I say shoot  
They gonna kill whoever try to harm me (kill who try to harm me)

Redrum is my army (it's my army)

They gonna kill whoever try to harm me (kill who try to harm me)

Bankroll (come in)

I ride with a hunnid, I'm dumping  
I got shit sound like a trumpet, I up no running (aye come here)  
We put dead opps in a pack wrap they ass just like zombies  
Where I'm from this shit get deadly I ride with a hunnid

187 this shit murder (redrum) tatted on my conscience (for real)  
I up this switch you hear (gun sounds)  
Ain't no running (aye come here)  
I call crash he get to blasting, bust your shit like pumpkins  
Leave your shit stinking in the street like we cut up an onion

Exotic glee I get to fire about my murder I'm going in (187)  
I lost my dog about this shit I'm gone step until the day I end (I mean it)  
This shit tatted on my face above my eye up under my skin (RedRum)  
So play with this shit if you wanna I bet you won't come back again

Hmm mm
