

Push

DJ Drama

A wise man once said
Don't push me
I'm close to the edge
I'm trying hard
Not to lose my head
DJ Drama

How the fuck do you want beef with no money?
Pricks ain't even beefin' properly, got no
Don't even need to go around this side when my goon start dumpin'
Niggas should see my face and they start runnin'
Homicide to me, them pussies are lookin' funny
Bitches tryna chill, yeah, I guess they smell money
Real life Gs trap hard from the night till the morning
See a change in my way, I blame poppy, but
Ain't shit change but the mileage on the Range
Mileage on the coupe, mileage on the tray
They know me, I'll pepper out this place, ain't shit change
Niggas been doin' this shit for
Realest on the street, only the realest when I speak
Bet these hollows and this powder lift him off his feet
Niggas really grew up from the belly of the beast
No matter where I go, them things are barely out of reach

Them flashin' lights and racks in ya life
There's more to life than wasting your time
Those women got a lifetime if you live like this
Soulless 'cause your vibe gone, that's just what life is

Hundred thousand for the re-up, you gotta keep up
Say you got a problem with me, they never speak up
They might have the work for the low, I got it cheaper
I don't like rapping no more, bitch, I'm a preacher, yeah
Stood at the stove so long, pins and needles
Buddy got a .44 long for the eagle
I don't put my trust or my faith in these people
Heart full of heathens, the rest are deceitful (Gangsta)
I don't even need no fuckin' keys for the whip
Put the keys on my strip, I can't reason with them
Made a mill' from the trap and a mill' from the pen, and I'll do it all agai
n
Beamer or the Benz
Bricks I got for sale, and it's cheaper by the tens
I only got my family, I ain't even got no friends
Only thing I'm ever chasing is my daughter or the check, huh, bitch

Them flashin' lights and racks in ya life
There's more to life than wasting your time
Those women got a lifetime if you live like this
Soulless 'cause your vibe gone, that's just what life is
