The target of this investigation is AMG studios, Midtown Atlanta
5:30 P.M., we'll be storming the compound
We received information that a group of suspects known as "The Aphill

country from this location, alright?
They're running a piracy ring and we're going to put a stop to it
Y'all hush up back there, y'all need to be paying attention
Now game plan: First unit on the scene is an unmark; that'll be mysel

Get a look around, make sure nobody is outside
Soon as y'all get the clear signal, y'all pull on up
Exit the vehicles, straight to the door, fast and quiet
Now, uh, Murphy, Johnson, and Clemenski (Yes sir)
Y'all head to the back, y'all make sure nobody gets to run it, alrigh
t?
And that's about it. One final comment I like to make, y'all pay good
attention to this
The first officer/officers on the scene to apprehend Mr. Don Cannon a
nd a Mr. DJ Drama will receive a bottle of Scotch on the house
[Light clapping, a few cheers]
Alright, so y'all know what to do
