DJ Drama

Ooh, you gon' get in trouble, what my brother told me (Ooh)  
When we was younger, innocent, hunger just stumbling on me  
Trouble was my first fear (First)  
2008, that was my worst year (Worst)  
Trouble was the reason I woke up in cells  
Poor Michelle, think of you and see Malik  
'Cause trouble found us  
I'm in Atlanta, me and Trouble, couple hoes around us (My nigga)  
I always used to get in trouble, always got suspended (Always)  
I look much better in the Maybach, almost got the Bentley (Almost)  
The liquor store is selling trouble, take a shot of Henny (Take a shot)  
You feel the jealousy faster, you feel the plot and envy (Feel it)  
Troubled waters that was underneath them slave ships (Trouble)  
Troubled daughters, fathers never tried to raise them (Never tried)  
Trouble lawyers fighting cases for a rapist (Damn)  
And pedophiles with children of his own, how does he take it? (How you do th  
at?)  
There's trouble upstairs with no foundation in the basement (Uh)  
Trouble something like Machiavelli with Suge out in Vegas (Uh)

If you gon' do it do it right now (Do it right now)  
No time to waste, I need it right now (I need it right now)  
Pray up above I get my blessings  
Hunnid lessons I done learned  
This my confession, give it right now (My confession)  
If you gon' do it do it right now (Do it right now)  
No time to waste, I need it right now (No time to waste, uh )  
Pray up above I get my blessing (I pray)  
Hunnid lessons I done learned  
This my confession, give it right now

Got so much trouble in this bottle I'm drinking, shit got me thinking (Think  
ing)  
Like, should I take the Holland or Lincoln? Possibly speeding (Speeding)  
Doing eighty in a forty-five with Shine on bad boy (Bad boy)  
Got in trouble packaging pieces like they was Altoids (Uh)  
Trouble, I tried to avoid, still I caught a charge or two  
There's trouble with this gem stone, I'm having thoughts of carving you (Car  
ve)  
Your father ratted, we hoping you don't do this shit your father do (We hope  
)  
Your mental might be trouble, we struggle, just keep it honorable  
Trouble used to follow me  
I know these bitches trouble 'cause they knew me forever  
Guess this paper made them acknowledge me (I guess)  
Just try to put the pieces together, life is a puzzle (Uh)  
We thought nobody seen us, somehow, we still got in trouble (Still)  
T-R-O U-B-L-E, levels was Pele (Trouble)  
Now I'm really getting money, they smell me  
Fuck they gon' tell me? (Fuck they gon' tell me?)  
Confessional, you know they ain't searching you, bring your weapon through  
(Bring your weapon)  
And if they try to front I'm here standing right next to you  
(Stay out of trouble, nigga)

If you gon' do it do it right now (Do it right now)  
No time to waste, I need it right now (I need it right now)

Pray up above I get my blessings  
Hunnid lessons I done learned  
This my confession, give it right now (My confession)  
If you gon do it do it right now (Do it right now)  
No time to waste, I need it right now (No time to waste)  
Pray up above I get my blessing (I pray)  
Hunnid lessons I done learned  
This my confession, give it right now
