GOLD! Always believe in your soul
You got the power to know you're indestructible
Stay gold always believing forever
GOLD! I'm glad that you're bound to return
Something I could've learned, you're indestructible
Stay gold always believing forever

Say my name like it's the last time
Live today like its your last night
We want to cry, but we know its alright
'Cause I'm with you and you're always believing
Butterflies, butterflies, we were meant to fly
You and I, you and I, colors in the sky
We could rule the world, someday, somehow
But we'll never be as bright as we are now

GOLD! Always believe in your soul
You got the power to know you're indestructible
Stay gold always believing forever
GOLD! I'm glad that you're bound to return
Something I could've learned, you're indestructible
Stay gold always believing forever

We're standing in a light that won't fade
Tomorrow's coming, but this won't change
'Cause someday, stay Gold Forever
The memory of being here with you
Is one I'm gonna take my life through
'Cause someday, stay Gold Forever

Love's like a high prison wall
But you can leave me standing so tall

GOLD! Always believe in your soul
You got the power to know you're indestructible
Stay gold always believing forever
GOLD! I'm glad that you're bound to return
Something I could've learned, you're indestructible
Stay gold always believing forever

We're standing in a light that won't fade
Tomorrow's coming, but this won't change
'Cause someday, stay Gold Forever
