

Happier Without Looking Back

DJ Earworm

It was you who taught me living is
Togetherness, togetherness, togetherness

Báilame como si fuera la última vez
Y enséñame ese pasito que no sé
Un besito bien suavecito, bebé
Taki taki
Taki taki, rumba

I said I'd catch you if you fall
Look back at it
She ain't never do this before, but she good at it
And if they laugh, then f... 'em all
She good at it
She make a ... feel good when I look at it

And then I got you off your knees when I look at it
Put you right back on your feet have fun with it
Oh, the girls just wanna have fun with me (fun with me)
Just so you can take advantage of me

Taki taki, rumba
Ddrat, da-da, da (taki taki)
Drdat, da-da-da, da (taki taki, rumba)
So it took a year for me to find out (find out)
Drdat, da-da-da, da (taki taki, rumba)

Yeah, got a new benz that I ain't promotin'
All of my friends love money throw it
Drdat, da-da-da, da (taki taki)
Let me tell, let me tell

When the morning comes
When we see what we've become
In the cold light of day we're a flame in the wind
Not the fire that we've begun

Every argument, every word we can't take back
'Cause with the all that has happened
I think that we both know the way that the story ends

Tell me how's it feel sittin' up there
Wo-oh, oh-oh
I want to change my mind
'Cause this just don't feel right to me
You know I'm the one who put you up there
Wo-oh, oh-oh
I want to see you smile but
Know that means I'll have to leave (taki taki, rumba)

And we lost a lot of things in the fire (fire)
Wo-oh, oh-oh
So it took a year for me to find out (find out, find out, find out)

He said he wants to touch it, and tease it, and squeeze it
Well my piggy bank is hungry, my ... you need to feed it
If the text ain't freaky, I don't wanna read it

And just to let you know, this ... is undefeated, aye
He said he really wanna see me more
I said, we should have a date, where? At the Lamborghini store
I'm kinda scary, hard to read, I'm like a Ouija board
But I'm a boss ... who you gonna leave me for?
You hoes got no class, you ... is broke still
I be talking cash ... while I'm popping my gold grill
I'm a whole rich ... and I work like I'm broke still
But the love be so fake, but the hate be so real, uh

El booty sobresale de mi traje
No traje pantisito pa' que el nene to trabaje
Es que yo me sé lo que tu crees que tu no sabe
Dice que no quiere pero se quiere comer el equipaje

I said I'd catch you if you fall
Look back at it
She ain't never do this before, but she good at it
And if they laugh, then f... 'em all
She good at it
She make a ... feel good when I look at it

And then I got you off your knees when I look at it
Put you right back on your feet have fun with it
Oh, the girls just wanna have fun with me
So you can take advantage of me

Taki taki, rumba
Ddrat, da-da, da (taki taki)
Drdat, da-da-da, da (taki taki, rumba)
Ddrat, da-da, da (bébé, taki taki)
Drdat, da-da-da, da (taki taki, rumba)

Yeah, got a new benz that I ain't promotin'
All of my friends love money throw it
Drdat, da-da-da, da (taki taki)
Drdat, da-da

I am the giant
Stand up on my shoulders, tell me what you see
'Cause I am the giant
We'll be breaking boulders, underneath our feet

So I'll go, I'll go
I will go, go, go
