Hey! Ho! Let's go!
Speed up
Don't stop me, don't stop me
Don't stop, don't stop, don't stop me

I'm a shooting star
Leaping through the skies
Defying the laws of gravity
I'm a racing car passing by
Like Lady Godiva.. Speed up!
I'm gonna go go go
There's no stopping me
I'm burning through the skies, yeah
There's no stopping me
Hey! Ho! Let's go!

Step up your game, game, game, game
Keep up with my pace, pace, pace
Try to keep up with me, me, me, me
Don't hesitate.. Let's go!
Don't stop, don't stop
Nobody gonna slow me down
Don't stop, don't stop, don't stop me
Don't stop, don't stop
Nobody gonna slow me down
I'm traveling at the speed of light
LET'S GO!

There's no stopping me
Speed up! Let's Go!
There's no stopping me
Don't stop, don't stop, don't stop
Let's Go
Step up your game, game, game, game
Keep up with my pace, pace
Let's Go
Try to keep up with me, me, me, me
Don't hesitate.. Let's Go!

Don't stop, don't stop
Nobody gonna slow me down, speed up
Don't stop, don't stop
Nobody gonna slow me down
I'm traveling at the speed of light
Hey! Ho! Let's Go!

I'm a rocket ship on my way to Mars
On a collision course, I'm out of control
I am a sex machine ready to reload
Like an atom bomb, speed up
I'm gonna go go go
There's no stopping me
I'm burning through the skies, yeah
There's no stopping me
Hey! Ho! Let's go!

Try to keep up with me, me, me, me
