

# United State Of Pop 2018 (Turnin' It Up)

DJ Earworm

Ba-dum, boo'd up  
Yeah yeah yeah  
Boo'd up  
Yeah yeah yeah  
Boo'd up  
Meant to be  
Meant to be (one)  
Boo'd up  
Yeah yeah yeah  
Boo'd up  
Yeah yeah yeah  
Boo'd up  
Yeah  
Biddy-da-do, it just won't stop

Do you love me, love me  
Love me my love  
'Cause I need ya  
I need you, baby, it's true  
Do you love me, love me  
Love me my love  
'Cause I want ya  
Say you want me  
And I need ya  
Yeah, you need it

I just wonder what it's gonna take  
I believe, I believe, I believe, I believe  
That we're meant to be, to be happier  
Meant to be happier  
'Cause no matter how my life has changed  
I believe, I believe, I believe, I believe  
That we're meant to be  
Meant to be  
Meant to be  
We're meant to be

One, I just want you to come with me  
I can't do this on my own  
All them girls, all them boys are meant to be  
One, we're on another mentality  
I don't wanna waste no time  
Too many times, too many times  
Yeah

Ooh, don't we look good together?  
I said I like it like that  
Underneath the sunrise

It's you babe, we out here forever  
I said I like it like that  
Show me where your love lies

I just wonder what it's gonna take  
I believe, I believe, I believe, I believe  
That I'm in too deep to be happier  
We all in too deep to be happier

I'm looking back on better days  
I believe, I believe, I believe, I believe  
That we're meant to be  
Meant to be  
We're meant to be

One, right now I'm in a state of mind  
I can't do this on my own  
Out of my mind, out of my mind  
We're meant to be  
One, I wanna be in like all the time  
I don't wanna waste no time  
Too many times  
I won't let you forget me

This is America  
Pickin' it up (yeah), pickin' it up (yeah)  
Yeah, look what I'm whippin' up  
Lovin', I'm livin', so we turnin' up  
Ba-dum, boo'd up  
This is America  
Try to let go, uh  
Yeah yeah yeah  
Yeah, boo'd up, we turnin' it up  
It just won't stop

Do you love me, love me  
Love me my love even when it's rainin' down (yeah yeah yeah)  
Yeah yeah yeah  
Boo'd up  
I need a girl like you, yeah yeah  
Do you love me, love me  
Love me my love, can't stop so shut your mouth (yeah yeah yeah)  
Yeah yeah yeah  
'Cause I need ya (okay)  
Yeah, you need it  
I need a girl like

(Watch the breakdown)

Oooh, ooh  
Yeah, yeah  
Look alive, look alive  
I'll never ever, ever be the same

Someone said bad things  
Bad friends out like a light  
Ayy, I'm not the same, man  
I'm on the other side  
Oooh, ooh

And all this hate  
It don't make no sense  
We're vibin'  
Everybody, everybody  
You know it, you know

How did we get into this mess  
What can you do?  
I know we meant all good intentions

I just wonder what it's gonna take  
I believe, I believe, I believe, I believe

That we're meant to be, to be happier  
Meant to be, I do, I do, I do  
'Cause no matter how my life has changed  
I believe, I believe, I believe, I believe  
That we're meant to be  
Yeah, meant to be  
Meant to be  
We're meant to be

One, I just want you to come with me  
I can't do this on my own  
All them girls, all them boys are meant to be  
One, we're on another mentality  
I don't wanna waste no time  
Too many times, too many times  
We're meant to be

One, and all this hate  
It don't make no sense  
We're vibin'  
Everybody, everybody  
You know it, you know  
Cause I'm tired of the fake love  
We're out here vibin'  
Everybody, everybody  
You know it

One taught me love  
One taught me patience  
One taught me pain  
Biddy-da-do, it just won't stop, it go  
Ba-dum, boo'd up  
Yeah yeah yeah  
Boo'd up  
Yeah yeah yeah  
Yeah, boo'd up, we're turnin' it up
