DJ ESCO

You gotta have something for everybody  
We call that a party pack  
Got a little Xans, a little Molly, a little Lean

That's that party pack  
Where that party at, yeah get that party phat  
Got the Xans and the lean, that's a party pack  
Do the Xans with the beans, that's a party pack  
That's that party pack, hey, where that party at?  
Got the Xans and the lean, that's a party pack  
Got the mollies and the fiends, that's a party pack  
Got the loud and some clean, that's a party pack  
Where the party at, hey, where the party at?  
Where the party at, hey, where the party at?

You see a tweaker (point 'em out, point 'em out)  
You see these sneakers that I'm rockin' (they ain't out, they ain't out)  
I got that party pack and now she wanna bounce  
The club packed, you see a hater point 'em out, point 'em out  
You heard about me, word of mouth  
Swae Lee got the all X, now blank out  
Got the Xans and the lean, that's a party, that's a party pack  
Got the mollies and the fiends, that's a party pack, that's a party pack  
She a student but she always want that party pack  
I don't want the whip if I can't have the roof detached  
Sremmlife!

That's that party pack  
Where that party at, yeah get that party phat  
Got the Xans and the lean, that's a party pack

That's that party pack, hey, where that party at?  
Got the Xans and the lean, that's a party pack  
Got the mollies and the fiends, that's a party pack  
Got the loud and some clean, that's a party pack  
Where the party at, hey, where the party at?  
Where the party at, hey, where the party at?

Uggggh, you a party girl  
Kiss your best friend kiss her like you Lesbian  
Say you wanted percs, I know where your head is  
Party at the Fountain Blue that's where my bed is  
When I'm on that D'usse, I ain't got no chill  
Young nigga got them old hundred dollar bills  
Shawty want that white, oh, David Copperfield  
Cross faded, I'm on the liquor and them pills  
M6 for the hoe, that's the party pack  
Shawty got a fat ass, I can handle that  
Slim Jxmmi
