

# Starfall

DJ Fresh

Sky is tripping  
With cold, light rain  
The silence begs us to start again  
Frozen clouds cover Mercury  
Eyes wide open  
So I can see

You are my star fall, star fall (2x)

Eyes wide open

Sky is tripping with clouds  
The Silence begs us to start  
Frozen clouds cover Mercury  
Eyes wide open  
So I can see  
(2x)

You are my star fall, star fall (2x)
