Dear diary,  
Life for me is kinda fuked  
I ain't with... nemore,  
And I don't want a wifey nemore,  
Even tho wen shes around,  
She brightens things up,  
But on the real,  
All dis wifey fings fuked,  
Cause I'm in love with the roads,  
And I miss... bosco,  
But at the same time,  
She expects me to tighten things up,  
Between me and her,  
At first I was on it,  
But all dis beef ting,  
Got between me and her,  
Now I'm only bovered about this guy,  
That's tellin people,  
That it's me hes guna murk,  
Fuk dat,  
He knows I'm not a prick,  
Or a burk,  
He cud never take me as a kick to the kirb,  
He was chattin shit in his verse,  
So fuk it,  
I did grab the blitz n I burst,  
Dat day was the worst,  
Fuk it,  
Dat day was fuked up,  
I lost ma temper so bad,  
I tryed to burn his face,  
Me tryin to burn that waste.  
Back den,  
Was obviously ma worst mistake,  
Cause now I'm at home on kurfew,  
Wiv an attempted murder case
