

# Tiny Dancer

DJ Ironik

verse1:

your my star, my light  
my whole entire life  
without you is blurry and I cant see why  
my friends say James, are you feeling alright?  
and I just think that I'm dreaming all night  
and when I'm with you I feel I've been saved  
and I wanna thank you mum and dad for what they made  
so I just wanna say I'm gonna keep you  
for life 24/7 I hope to

chorus:

(ironik)

Hold you closer and dont let go  
I need to know how you feel too  
So hold me closer and dont let go  
Im falling so please girl dont let go  
(Sir Elton John)  
Hold me closer tiny dancer (hold me closer, just hold  
me closer)  
Count the headlights on the highway  
Lay me down in sheets of linen (Lay me down)  
You had a busy day today (hold me close, hold me close)

Verse 2:

[Verse 2, its Ironik]

Youre my perfect dream, were the perfect team  
Im the king, youre the queen  
Youre the book that I read  
Without you, it feels like theres no me  
And thats why its you that I just wanna keep  
How many that Ive told you that I LOVE YOU  
So many times you know I wanna hug you  
So come and show me what love means  
Cause I dont really know Ive just seen it in my dreams  
(I swear)

Chorus:

(Ironik)

Hold you closer and dont let go  
I need to know how you feel too  
So hold me closer and dont let go  
Im falling so please girl dont let go  
(Sir Elton John)  
Hold me closer tiny dancer (hold me closer, just hold  
me closer)  
Count the headlights on the highway  
Lay me down in sheets of linen (Lay me down)  
You had a busy day today (hold me close, hold me close)

[Its crazy

I dont think you recognize how strong my feelings are  
So I dedicated this song to you, listen]

Verse 3:

Look, I hope you recognize now what you really mean  
Without you I couldnt do the song I sing

And I hope you like it too, cause its nothing but the  
truth

Youre not number one but youll be soon (believe me)

Chorus:

(Ironik)

Hold you closer and dont let go

I need to know how you feel too

So hold me closer and dont let go

Im falling so please girl dont let go

(Sir Elton John) x2

Hold me closer tiny dancer (hold me closer, just hold  
me closer)

Count the headlights on the highway

Lay me down in sheets of linen (Lay me down)

You had a busy day today (hold me close, hold me close)

[I hope youre taking all the words man, its IRONIK]
