DJ Kay Slay

Kay Slay, you know why I called you here today?
I have no fuckin' idea, man
Well you a legend, brother
And you talkin' 'bout leavin' the game?
Yo man, I been hip-hop since day one
I'm hip-hop frontline
These mother fuckers don't respect shit anymore, man
Yo, you been through it all, man
You were all city king of grafitti
Break dancin', DJin' out in the park, man
I know your story, emceein'
And you got full knowledge of self
You got all the elements of hip-hop
But you forgettin' the most important one
And what's that?
That's Kay Slayin' 'cause you slayin' the game
And you stayin' in this mother fucker
They don't respect shit anymore, man, I'm tryin' to tell you!
Yo, I don't give a fuck!
You gonna stay and you gonna kill the game!
Kill this mother fuckin' game!
