We the Best Music!
...

Girl, is you ready, ready, ready? Yeah, yeah
I'm tired, baby, you tired?
All them headaches, headaches, headaches, yeah
But I'mma give you what you looking for
Just be down for life
Just be down for life
Just be down for life
I'mma be down for life
I'll be down for life
Just be down for life
And just be ready
You with it, yeah, yeah

P-A-I-D N F-U-L-L
M-O-N-E-Y K-I-L-L
I go to J-A-I-L
F-U-C-K all them cops
Yeah, fuck 12
Roll it up tight, then put it in a L
I'm tryna find me a rider that's real
I used to get down for the demonstrations
We gotta live for our reputations
You got your level up, you got your level up
Uno amigo, you caliber
24K I get 100K out a bag
I spent 100K on your bag, that's a crocodile Birk
They tryna throw dirt on my name and they seen what I worth
I pull up dripping like BB
I get so many You better hope I don't OD
I keep a chopper like BG
Ya money nigga no PG
Slow it down for me like juvie
I catch a homi' like lil' T
I'm in the streets like a HB
They made a movie in 3D
We made a film in Here come another one, Khaled
Here come another one, Khaled

Girl, is you ready, ready, ready? Yeah, yeah
I'm tired, baby, you tired?
All them headaches, headaches, headaches, yeah
But I'mma give you what you looking for
Just be down for life
Just be down for life
Just be down for life
I'mma be down for life
I'll be down for life
Just be down for life
And just be ready
You with it, yeah, yeah

I'mma pull up on you, is you ready?

Do something different, girl, let me show you
Niggas love to hate
Bitches love to hate
That's why I spoil you
I can't lie, I can't lie
You've been down since day one
I'll go out pull out the hammer and kill 'em if they say some
Ooh, I'll do it, I'll do it, I'll do it (Straight up)
Ooh, I'll do it, I'll do it, I'll do it

The season success
6 reasons I'm blessed
Secret societies, he seems so possessed
First you master the hustle
Then you conquer the struggle
Now I'm stacking my numbers
Just like they tackles and fumbles
Every week, there's pictures of different bitches kissing me
But the one that stole my heart, that's still a mystery
Chill, Khaled, chill
Bill, let it bill
Squat, shorty, squat, please, in them heels

Just be down for life
Just be down for life
Just be down for life
I'mma be down for life
I'll be down for life
Just be down for life
And just be ready
You with it, yeah, yeah

Tell me you ready
Baby girl, tell me you ready
And I'mma be there in a second
Won't take you for granted
I'mma treat you like the fed-ex
Cause, baby, you know I go get it
She know that I got a check
And that paper come in steady
She want Audemars Piguet
She wanna ride in a Bentley
I'mma step up, take a rental
I know she digging my pimping
Baby, stop playing, get with it
Baby, stop playing, get with it
I know you tired of them gimmicks
But you fucking with the realest
Is you ready for the one? I'm coming
Is you ready for the life I'm living?
I'mma be down like a damn coffin
I want you with me 'til God call me
Tell all them lame niggas "Sayonara"
I hit the jeweler and bought a car
Wide receiver, I just caught a charge
Girl, is you ready to go tomorrow?
When I'm with you, I look like a star
This one right here is gon' take me far

Girl, is you ready, ready, ready? Yeah, yeah
I'm tired, baby, you tired?
All them headaches, headaches, headaches, yeah
But I'mma give you what you looking for

Just be down for life
Just be down for life
Just be down for life
I'mma be down for life
I'll be down for life
Just be down for life
And just be ready
You with it, yeah, yeah
