And now she tryna kill me, like I'm 'posed to cop a plea or somethin'

All in her ass, like I was playing with the wrist  
Now it's you and me, ain't nothin' stoppin how we riding out  
Shorty unbelievable, the type you fantasize about

To the point, where shorty beauty undescribable  
When it comes to women, we no play  
Dem gyal weh' we have ah' di wickedest, we no care what them waan say
