

# LET'S PRAY

DJ Khaled

(We The Best Music)  
(Tay Keith, fuck these niggas up)  
(MWA Music)  
(Another one)  
(DJ Khaled)

Keep me up, keep me up, I spy plenty of 'em  
I, the biggest in your league and your millennium  
I was stackin' up my chips so I got plenty of 'em  
I was blowin' 'xotic, catch my equilibrium  
Who want the smoke? (Who want the smoke?) Bet' not choke (Bet' not choke)  
I made an oath (I made an oath) to keep it afloat (To keep it afloat)  
We made a toast (We made a toast), doin' the most (Doin' the most)  
To doin' the most (Doin' the most), doin' the most (Doin' the most)  
Need to run it back, we need to run it back  
Somebody hold my back 'cause I'm comin' in full attack  
We need to run it back, we need to run it back (Yeah)  
Somebody hold my back 'cause I'm comin' in full attack (Yeah)

Please come for me, ain't nobody on this level  
At least you had to know it, but you end up callin' the devil (Let's pray)  
I know you pray to God when you want something from me  
I know you pray to God when you want something from me  
I know you pray to God when you want some-

I smell the smoke (Yeah, I smell)  
Bumpin' U-T-O (U-T-O)  
Down the P-I-A, all these G-I-As  
You know I love to tote, keep that pay O-D role  
And when Flame need to spark, she pull up that head  
Dumb movin', though that whip, she is smart (Whip it)  
Side, keep her head start (It's lit)  
Side, bounce on the top  
You know they prayin' that you drop, you know I'm prayin' that you no t (No)  
And never pray for the knots (No)  
You know that come with the spot, you know that come when you're hot  
Don't get caught dancin' with the devil, don't leave out with the fire (Fire)  
Just did this party for some mems who like to one-up the ride  
We make the block bleed like a menstrual, who we pull out and slide?  
Back to Utopia, the ride  
I'll be back when I- uh (Straight up)

Please come for me, ain't nobody on this level  
At least you had to know it, but you end up callin' the devil (Let's pray)  
I know you pray to God when you want something from me  
I know you pray to God when you want something from me  
I know you pray to God when you want some-
