On My Way

I'm on my way

This goin out to every hoodjavascript We gonna make it You can look into my eyes See that I'm dead tired 6:00 in the morning Money still on my mind So if you want it I'm the one to supply Be there in no time I'm on my way-ay-ay-ay... ay-ay-ay Nigga this legendary No ordinary shit No ordinary bitches No ordinary whips 4 bills nigga special like they 30 I cam along way from four steps in section 8 Niggas eatin on these beats Get yourself a plate And I'm a step away One hit, one breath away When you don't got time, you ain't never late Come so victory is here We can celebrate Ok, I'm on my grizzle On my grind Go ahead try, top my shine I'm on my way, anyday Tell them niggas better have my cake What you think Nigga you ain't Have me laughin all the way to the bank L O L, A M B, O R at the Gini baby Had the chop the top off that bitch Just so they can see me baby Money I get, know that shit Yeah he paid, notice it Sleepin who, no can do Motivation, ocean view How I get it Bitch U trippin Ain't got nuthin to do with you Victory is on the way Khaled go in on 'em Show 'em we gonna win homey Get off in their skin homey I've been getting in the streets over 10 years So you think a nigga pussy cause his ear's pierced Run up on a nigga pussy if you want to U gotta best be sure that it go through Ball Greezy gettin money like he 'posed to Good dope in the drop like soul food Big Body, big rims on the old school Stay fly like a hood nigga 'posed too

DJ Khaled

Lights off click clack in the pinto Seat back, dick sucked in the Benzo 5% DBs on the Renzo No sleep, gotta eat, gotta get done

It's like I always say Muthafuka here I come Another victory for the crib A couple more before I'm done And if you asleep you better wake up And get on your fukin job Cause I'm takin' everything except a loss Iceburg goes off, yeah 24/7 I goes on And I be scared I might miss money So I don't doze off I'm a snap and the streets know it Trick told me keep goin' An I'm a keep Chiefin as long as god keep the weed growin'

Switch man been to a? I've been destined to shine Won't take no for an answer Fuk nigga gimme mine Never been selfish for real I put on my whole city I went from standing on corners To autographin' titties My daddy gave my Virginia's King, A Richmond legend A wise speaker, a woman pleaser Broke nigga, reverend Mr O 10, I get it in I wear da crown We da best, tell 'em fuk next I got downs

You got da cash, then show me Better not be phoney Get on my level Cause they way below me U ballin? Balogna Girls ask me what my cologne is Steel Khakis and Coronas And I'm mackin' a donkey Flip the 4 and a half Do the vert and a left Bet da ave never seen banks chunky as dat Why you got pressure? Cause my Impala got pressure Beating outside, shaking the dice on my dresser Is that gun play, Yes Sir!
