

Out Here Grindin'

DJ Khaled

DJ Khaled,
We the best season
Has returned
I do this
For the streets
The runners

Cause I'm out here grindin'
Cause I'm out here grindin'
Hey Hey
I don't care what nobody say
Ima be me (be me)
Stay hood
Stay rasied in the streets
(cause I'm out here grindin')
niggas talk about greatness
Whenever they speak about me
(Cause I'm out here grindin')
I ain't splitting
Nothing with nobody homie
I gotta get me me
(cause I'm out here grindin')
I ain't slept in 8 days
I can go for 8 weeks
Ain't nothing to me
Cause I am the streets.

Ricky Ross
Put my life on the line
But I'm likely to rhyme
I'm on top of the game
If you like it or not
Ask how I get freesh
Strawberry swishy sweets
You'll be dealing with H
When you dealing with G's
Flashing deal
With the realest
Shopping like
It's still december
Diplomat on the fender
Of the phantom
I'm the winner
I do it for the hood
I do it cause you're gay
You suckers
Wish you could Ricky Ross
Is in the bank

Hey, feds
Heard your bringing
My name up
Know you want me back
Think I give a fuck
Better dyte me now
Before price go up
Came in the world thuggin'

Leaving with big nuts
Yeah, I run with killas
Homie so what
What you want me to tell
I sold you to lil dust?
Send your informants

Ain't scared to go

I don't care what nobody say
Ima be me (be me)
Stay hood
Stay rasied in the streets
(cause I'm out here grindin')

Whenever they speak about me
(Cause I'm out here grindin')
I ain't splitting
Nothing with nobody homie
I gotta get me me.
(cause I'm out here grindin')
