

From Tragedy

DJ Krush

To me there ain't no love out there,
Y'know what i'm saying
Everybody.. Everybody just like robots right now,
Like zombies ain't no love out there
I think the future gon be a scary thing
But y'know, gotta get ready for it, y'know what i'm saying
If you, if you ain't trying to get ready for it then just get h
igh, get big, y'know what i'm saying and let it come or go - wh
atever
That's my fucking philosophy on the future
