

# Paranoid

DJ Mustard

Dolla \$ign  
Mustard on the beat, hoe

I seen two of my bitches in the club  
And I know they know about each other  
I think these bitches tryna set me up  
Maybe I'm just paranoid

I got a bad lightskin from the valley  
She be in the club with no panties  
Lil' bitch, she used to be my favorite  
But now we don't speak the same language  
I love my bitch, I could bang it  
But my dark skin bitch know how to take it  
I got em up the same damn red bottoms  
And brought em both the same damn fragrance  
Both of my bitches drive Range Rovers  
None of my bitches can stay over  
Both of my bitches look good as fuck  
Yo bitch look like a buggawoof

I see two of my bitches in the club  
And I know they know about each other  
I think these bitches tryna set me up  
Maybe I'm just paranoid

Yea I'm paranoid, I'm trippin  
I've been smoking, I've been sippin'  
I been fuckin around with two bitches  
But I never made them hoes my missus

I got a spanish bitch, her name mija  
See how my bitches is bad, I'm not T.I.  
Ain't no tiny's around me, uh uh bitch  
The only thing I got is a long dick  
Two of my women conceited, like Mike I beat it  
No Butt, I'm Beavis I get em higher than Jesus  
And when I pull out the penis she like whoa  
She got a truck full of ass I gotta tow  
See all my niggas is rollin, we got dough  
I got a car full of bitches, see I'm a pro  
See it be 2 for me, I'm a pass the rest  
Soon as they pass the test I put dick on they breast  
I came on their chest, ain't no cum from we fuckin  
If the muffin be bluffin I get the anger like Ralph and I'm like  
Nice like this I wish  
That my bitch would call, hah

I seen two of my bitches in the club  
And I know they know about each other  
I think these bitches tryna set me up  
Maybe I'm just paranoid

Yea I'm paranoid, I'm trippin  
I've been smoking, I've been sippin  
I been fuckin around with two bitches  
But I never made them hoes my missus

I seen two of my bitches in the club  
And I know they know about each other  
I think these bitches tryna set me up  
Maybe I'm just paranoid
