

# Vato

DJ Mustard

For the cheese like nachos  
I'll pull up on a nigga pronto  
Ridin' for the guapo, it's just me and my vato  
If money ain't the convo, tell me what the hell you call for  
As soon as the block close, it's just me and my vatos  
It's just me and my vatos, it's just me and my vatos  
It's just me and my vatos, it's just me and my vatos

I'm talkin' bout bald head, tatted up ese's  
CV70's and Hold up, they ain't never on that bitch shit  
Fuck a chicklet, they on the corner with that biscuit  
Called 'em up like (brrp), nigga need that (brrp)  
Said that money good, my partner pulled up like (skrtrt)  
He ain't playin' wit' it, that pistol permanent, he stayin' wit' it  
Yeah, he tryna live his dreams, so he layin' wit' it  
And I helped him cross the border, now he finally seen his daughter  
And his vato just got shot up, he hit the block and all you heard was  
Blocka, blocka, blocka, blocka!

For the cheese like nachos  
I'll pull up on a nigga pronto  
Ridin' for the guapo, it's just me and my vato  
If money ain't the convo, tell me what the hell you call for  
As soon as the block close, it's just me and my vatos  
It's just me and my vatos, it's just me and my vatos  
It's just me and my vatos, it's just me and my vatos

Get right, get you what you want like the Costco  
Nigga pullin' up on a chicken like at Roscoe's  
Black hammer, bandana, yellow box, arm hammer  
It came out Laredo, sent 'em out to Atlanta  
Me and my nigga cream and nachos  
Fuck wit' my nigga, I'll knock the beef up out your taco

Ridin' wit' the heater, in the winter, wit' the top gone

When it come to Velveeta, I do not play bout my peso  
It's just me and my vato, we in a Porsche on Rodeo  
Tryna find us a J-Lo to paint a face like it's make-up
