

# Lockdown

DJ Neptune

Everybody's on a lockdown  
Everybody's on a lockdown  
The whole world is on a shutdown  
And I really need you right now  
I wanna see you right now

Everybody's on a lockdown  
The whole world is on a shutdown  
And I really need you right now  
I wanna see you right now

I should have kissed you better  
I should have wrote you a letter  
This is a big disaster  
This is a big disaster  
Omo the matter don dey long  
E don dey long  
Can I talk to you  
I for like dey with you

Everybody's on a lockdown  
The whole world is on a shutdown  
And I really need you right now  
I wanna see you right now

Everybody's on a lockdown  
The whole world is on a shutdown  
And I really need you right now  
I wanna see you right now

I gat pride and I'm shy  
You gat issues with that  
We can't catch no flys  
We can't catch no flys  
I need you  
Every other morning I be missing you  
Everywhere is burning  
I go come save you  
Everywhere is burning  
I go come save you

Everybody's on a lockdown  
The whole world is on a shutdown  
And I really need you right now  
I wanna see you right now

Everybody's on a lockdown  
The whole world is on a shutdown  
And I really need you right now  
I wanna see you right now
