

# Fuck All Night

DJ Quik

Sometimes I'm insatiable, Sometimes I love fellatio  
With such a high sex ratio, she smokes when she swallows  
But she says it's tasty though  
Call Lisa with her big 'ole ass, her weave is cool  
But her mama is cash and she would be just fine  
It's not time to smash, get some ointment  
Go and fix that rash  
I got a fine groupie girl, eye's like a raccoon  
Pussy so good, she deserves some damn balloons  
When she wants to hit it, I go get it  
She had a hot past, how can they forget it?  
Now we don't even got Soul Train  
Ain't got no room to grow, just like a swole brain  
I'm like a doctor, keepin' you in remission  
I don't write songs for bitches, I write prescriptions  
Now get the head right, get the sheet thread count high  
Cook some beans and rice, get the bath temperature nice  
Then get it set up to get set off  
Like Foxy you'll get off when you let off, and you let me toss  
You 'da boss bitch, I just wanna'

[R:]

Fuck all night, Fuck all night  
Smoke and drink and get right  
I just wanna' fuck all night, fuck all night  
Fuck until what's wrong is right  
Hey! I just wanna' fuck all night, fuck all night  
Skeet till my balls is light, huh  
I just wanna' fuck all night, fuck all night  
Eat till her drawls is white

Now here's a message to the tech-head bitch  
Don't FACETIME at night, that's Blair Witch  
With her once-a-month bleedin' fonky cock  
She got to check it every traffic stop  
She fuckin' wit' you when you wanna' talk  
But lose a couple spots  
And watch communication drops  
No sympathy votes, cuz I don't love no hoes  
Empty pockets on the corner, keep em all broke  
She been a ho now since 2003  
And now she wants to get her life right with me?  
Ambitious bitches  
A little too enthralled with the riches  
Don't want the one night boy, she wants the pension  
And that is not your spot, this is not your place  
You need to fill your crotch up with your face  
And quit tryin' to be a side piece bitch!  
With a pussy that big, you missed the chance to

[R:]

Fuck all night, fuck all night  
Smoke and drink and get right  
You missed the chance to fuck all night  
Fuck all night  
Fuck 'til what's wrong is right  
Huh? You missed the chance to fuck all night, fuck all night

Skeet till my balls is light, huh?
