Won't you just put it on me

(Dr. Dre) Y'all ready to get dirty? Do y'all really wanna get X-rated? Heh, bottoms up (Mimi) Just hit me up when you need Sex, endo and Hennessey Won't you just put it on me I just want yo company (Come on baby) Put it on me Relax and come chill with me Kick back I got what you need Won't you just put it on me (Dr. Dre) We back, we mack, stay blunted Knee pads, yo hoes they wanted Penthouse two o'clock eleven hundred It aint no fun if I can't reroute your hoes in this direction Swerve in the intersection, I'm done she restin No question, done session Home wreckin, Doc motherfuckin Dre no guessin Nothin less than, I mess when I'm sexin Bang on the block Even Asian bitches like to bang cock Draws drop, she bunny hops On it like a pro, she comes out the clothes (DJ Quik) But, uh, she flips the dildos Whether in the Pumps, Nikes or the steel toes Dre, you can spot it in the benzos Squawtin real low, got me drivin real slow, she's a real ho And even though her parents spent the fat chip On that private school chip She graduated, got some thug dick and flipped No more checkered sweater, vest and plaid skirts She's out here naked more or less and that hurts But she's in good hands, cause Suga Free palmin He sent her to the Sheraton with Thomas If you need 'em they at 310-629-9755You hit 'em and they let you know when she's arrived Oh she okay she just runnin an errand With this Portuguese dime piece named Karen Bouncin through the mall, spottin 'em all A sucker for a dick sucker ready to fall For a daughter like yours Got him pattin his pocket and comin out his drawers Layin his jacket on puddles, openin the doors All for what? Because I promised her my name gave her the game and still aint fucked (Mimi) Just hit me up when you need Sex, endo and Hennessey

I just want yo company
(Come on baby) Put it on me
Relax and come chill with me
Kick back I got what you need
Won't you just put it on me
(Come on baby) Put it on me
Fuck everybody let's just go
(Come on baby)
We can get drunk, have some fun and blow some smoke
(Come on baby) My spot is close, c'mon lets roll
(Don't trip) I'll keep it on a low, ahh

(DJ Quik)

Now we just kickin back playin on some PS2
Contemplatin the game Dre and me best do
If you feelin froggies then leave when we test you
But I'm guaranteein you bitches leavin three less two
Never mind what that love and hate one pairs do
Y'all just snicker at that hooker when we all pass through
Dr. Dre and DJ Quik will probly outlast you
You're like see-trough pair of boxers nigga yo ass trough

(Dr. Dre)

Bitch, you need some good dick, I got that too Speed bag the clit, leave it black and blue Time of yo live, I got that boo Creep late nights up in hotel rooms We drank, eat shrooms Kill something, crank the volume Fuck in every room You know your home girl want it, Tag team bitch Why you being dick greedy? Tag team bitch When she cums, she drips on mattresses Bedroom time comes I handle shit Wifey caught up me nigga That's yo bitch, that's yo biz That's show biz, that's how hoes is With or without kids Long as you keeping it on a hush she ridin dick Aint been satisfied much, she's been fakin That's why she callin me, guess what she's sayin

(Mimi)

Just hit me up when you need

Sex, endo and Hennessey

Won't you just put it on me

I just want yo company

(Come on baby) Put it on me

Relax and come chill with me

Kick back I got what you need

Won't you just put it on me

(Come on baby) Put it on me

Fuck everybody let's just go

(Come on baby)

We can get drunk, have some fun and blow some smoke

(Come on baby) My spot is close, c'mon lets roll

(Don't trip) I'll keep it on a low, ahh
