

Roger's Groove

DJ Quik

Mr. Troutman, rest in peace, we love you

More bounce to the ounce, more bounce to the ounce

Groove for you

I want to play a groove for you [4x]

Will you let me play for you?

I want to play, I want to play a groove for you

Groove for you

I want to play a groove for you [4x]

Even though it hurts me so, I promise, I promise

To keep the talkbox alive

For you, for you, for you

Mr. Troutman

I want to play a groove for you [8x]
