

# I Am A Raver

DJ Rankin

Raving is my final destiny,  
Oh baby can't you see,  
That I am a raver.  
(Move your body to the beat mother fucker)

In my heart I will always always be  
A raver can't you see  
That I am a raver

Raving is my final destiny (this is the rythem of the night)  
Oh baby can't you see (my my oh yeah)  
(The rythem of the night) that I am a raver  
In my heart I will always be a raver can't you see  
That I am a raver  
I am a raver

(A bunch of random 'words')

Raving is my final destiny,  
Oh baby can't you see  
That I am raver  
In my heart I will always always be
