

Look For Love

DJ Sammy

This is the moment, this is the time
You use your body, and I use mine
This is the moment, this is the time
You use your body, and I use mine

This is the moment (to look for love)
This is the moment (to look for love)
This is the moment (to look for love)
This is the moment (to look for love)

You know I wanna, you know I wanna (look for love)
You know I wanna, you know I wanna (look for love)
You know I wanna, you know I wanna (look for love)
You know I wanna, you know I wanna (look for love)

I've been searching all over,
For your love like I know ya.
My heart says I'm supposed to,
I hope time brings us closer.
Late at night in my dreams
I see you and I scream
I see you and I freeze
I'm all stuck like a feen.
For your love I'm a schemer,
For your love I'm a dreamer
Lost like Seraphina,
Asking hey hey have you seen her.
This is the moment, this is the time
You use your body...

This is the moment (to look for love)
This is the moment (to look for love)
This is the moment (to look for love)
This is the moment (to look for love)

You know I wanna, you know I wanna (look for love)
You know I wanna, you know I wanna (look for love)
You know I wanna, you know I wanna (look for love)
You know I wanna, you know I wanna (look for love)

This is the moment (to look for love)
This is the moment (to look for love)
This is the moment (to look for love)
This is the moment (to look for love)
