

This Is Who We Are

DJ Sammy

I don't need to say this out loud
Words won't help us now
I don't want to run away from you
It's true

Cause this is who we are
This is who we are
You know it's true
This is who we are
This is who we are
You know it's true
This is who we are

This is who we are
This is who we are

Even if we're worlds away
You will never fade
Every time I close my eyes
I'll pray

Cause this is who we are
This is who we are
You know it's true
This is who we are
This is who we are
You know it's true
This is who we are

This is who we are

Don't go
Stay with me
Don't go
Stay with me

Cause this is who we are
This is who we are
This is who we are
You know it's true
This is who we are

Cause this is who we are
