DJ Shadow

I'm Einstein  
Off two lines and moonshine  
Too lit, hit two bitches at noontime  
Spiritless like prostitutes that steal shit  
Limitless when them chemicals mixed  
Mentally unfit  
I'm physically on tilt  
Eyes puffy chasing grants like Horace  
Put the D on, no Warwick  
Arms I will bear for the porridge  
Porsche out the storage  
Cayenne truck, watch me floor it  
Eating calamari with the swordfish  
Penthouse enormous  
Doing blow in silk garments  
Smoking so much  
You would think I had a farm of it  
Writing like Shakespeare on the top tier  
10 in life bid with his shank near  
To be or not to be that's what the question is  
A brackhead blacked out off the medicine  
Evident I'm heaven sent but hell bent  
Two licks, her pussy wetter than whale piss  
All getting money know you tell bitch  
With a bag of drugs looking like trail mix  
On the road to riches got it all mapped out  
Doing all these drugs 'til a nigga black out

Welcome to my horror show  
Horrible how I will do all off you  
Try the undeniable sire of diabolical  
What, welcome to my horror show  
What  
Welcome to my horror show  
Horrible how I will do all off you  
Try the undeniable sire of diabolical  
What, welcome to my horror show  
What, welcome to my horror show

They think drugs gon'. kill me  
But these off these drugs on kill you  
Snorting on some igloo  
Smoking on some mildew  
Writing that apocalypse  
Stronger than Black Panther fist  
No philanthropist  
For the scandalous  
Drink a can of piss  
My manuscript  
Can turn an evangelist to satanist  
I'm faded with this  
Struggle with one another  
For faith in it  
Devilish acts  
Praying I get away with it  
Sitting waiting patient  
Taking everything that's sacred

Even your imagination  
Can't think when you're in hell  
'Bout to lose everything  
Like Jack and Jill's pail  
Got a nigga's brain captured  
Like SeaWorld whales  
I'm a nigga from the hood  
I can see the world well  
That's why I get fucked up  
'Cause I can't lift up the veil  
Can't look in a mirror  
'Cause I hate myself
