

Fuego

DJ Snake

Don't make me crazy
Your bed won't take it
Don't start that fuego
I can't fight my DNA
Loca, ah...

Alright, then

Just one touch of me, get a likkle of me and she start to go loopy (Loco)
But tell her after lovin' on me, send her right back home
Taking her home, like to feel man a jog
She fallin' in love with the way how I do it
And I must love the way how she just can't leave me alone
Crazy because she'll pick up the phone
She not stop call, she moan
And I tell her, she moan
I go naughty zone
Think me a clone
Let me give her the bone
Now she after third round
Give me the crown (That's it)

Ooh, (Babygirl) encima mío, encima tuyó
Ooh, on top of me, on top of you, yeh
Ooh, (Babygirl) contigo ya no hay cama que aguante, yeh
Aguante, yeh

(La, la, la, la)
Don't make me crazy
(La, la, la, la)
Your bed won't take it
Don't start that fuego, fuego
I can't fight my DNA
Pero si me vuelvo loca, loca
You might like that (Eh)

Hey, telling you again...
Lo, da da, do, da, do...

Porque yo me pongo loca, loca
Cada vez que le muerdo la boca, la boca
Rapidito se le cae la ropa, ropa
Y a mi me gusta (Sing, girl)
Porque yo me pongo loca, loca
Cada vez que le muerdo la boca, la boca
Rapidito se le cae la ropa, ropa
Eso me gusta

Ooh, (Babygirl) encima mío, encima tuyó
Ooh, on top of me, on top of you, yeh
Ooh, contigo ya no hay cama que aguante, yeh
Aguante, yeh

(La, la, la, la)
Don't make me crazy
(La, la, la, la)
Your bed won't take it (Babygirl, I'ma make ya)
Don't start that fuego, fuego

I can't fight my DNA
Pero si me vuelvo loca, loca
You might like that (Eh)

Telling you again...

Don't make me crazy
Your bed won't take it
Don't start that fuego, uh
