

Goodbyes (Myrrh)

DJ Snake

Now you got me, you want someone else
Now you got me, you want someone else, oh no
Time to put my heart back on the shelf
Good times, turn into goodbyes

Now you got me cheating on myself
Now that I can see your someone else
How'd you even recognize yourself?
Good times turn into goodbyes

Waterworks, yeah
Oh well, I guess we tried

Kiss like myrrh
Sweet perfume
Ancient love
Fills the room

Kiss like myrrh
Sweet perfume
Ancient love
Fills the room

Kiss like myrrh
Sweet perfume
Ancient love
Fills the room, fills the room

Now you got me, you want someone else
Now you got me, you want someone else
Time to put my heart back on the shelf
Good times, turn into good byes

Now you got me healing by myself
Now that I don't live under your spell
I don't even recognize myself
Good times, turn into goodbyes

Waterworks, yeah
Oh well, I guess we tried

Kiss like myrrh
Sweet perfume
Ancient love
Fills the room

Kiss like myrrh
Sweet perfume
Ancient love
Fills the room

Kiss like myrrh
Sweet perfume
Ancient love
Fills the room, fills the room
