

## Selfish Love

DJ Snake

Nadie tiene que decírmelo  
Hablas con otra que no soy yo  
Y te confieso que viéndolo  
Baby, me dan ganas de tenerte

Just a little crush, got me over here thinking  
Does somebody else care, somebody else care?  
I know we got trust, but you be gettin' me thinking  
Does somebody else care, somebody else care?

Tú quieres darme celos  
All this time and we still got that selfish love  
You like making me jealous (I like makin' you jealous)  
Es un juego que queda entre tú y yo  
Tú y yo, tú y yo

Yeah, yeah  
You know we got trust  
Yeah, yeah

Cómo me miran es obvio  
Ven marca tu territorio  
Este secreto entre los dos  
Sé que te dan ganas de tenerme (Te dan ganas de tenerme)

I get just a little rush, when you over there thinking  
Does somebody else care, somebody else care  
You know we got trust, but I like gettin' you thinking  
Does somebody else care, somebody else care

Me gusta darte celos  
All this time and we still got that selfish love  
I like makin' you jealous (I like makin' you jealous)  
Es un juego que queda entre tú y yo  
Tú y yo, tú y yo

Yeah, yeah  
You know we got trust  
Yeah, yeah
