DJ Snake

Ladies and gentlemen
Introducing the world famous T R A P S O U L king
Sing yeah
Huh, wassup, baby?
Ha, yeah, I see you, girl, you stylin'
Ayy, you stylin'
Yeah

Must be hard to keep 'em off you, girl
I know they wanna go, they must be
Uh, fiendin' for it, honestly, I'm dreamin' for it
I can see, I can see you finally (Yeah)
Singin', yeah, you had enough (That's right)
I can tell you had enough (Slow down)
And the bill keep addin' up
Got dressed for the night, you bad as fuck (You bad)
Giddy up, keep backin' it up (Keep back)
Her lips on MAC, no truck
If her nigga keep actin' up, I'm
Hmm, that's right
I'm, I'm on it, yeah
Right, you can tell I want it, yeah
Walk back, girl I had to hop on it, girl
Let's call it a night, you damn right
Cool with me if you stayin' the night
He blew your high like dandelion
You make your wish, I grant it right

I'm only ridin, ridin' out then slidin' out
'Less you right there beside me
Glidin' down the street
I like to see you smilin'
Yeah yeah, you know I like to see you smilin'
Ain't seen it in a while
A while
Y-Yeah, I like your smile, ain't seen it in a while, while, while
Yeah, uh-huh
I said it's been a while, while, while (Yeah)
Yeah, yeah, yeah
Yeah, yeah, yeah

Ayy, and you keep that head strong
I could take that edge off
Girl, you know my sex great
My weed is good, my bed soft
Let me take them pants off
Pull every single layer off
Nope, I don't play at all
And ya had to lay him off (That's right)
Little boy slacked on the job (That's right)
That boy work quarter time (Time)
He no work overtime (OT)
You can tell him it's over now (It's over)
Go tell him I hold you down (You down)
That nigga won't slow you down
Wanna see you go forward now (Ayy, I got ya)
Wanna see you go forward now (Forward now)

Gotta keep you going now (Goin' now)
I can't let you throw it down
Let me light your torch now (She fire)
He like to dim your light
Girl, I'm just glad you know it now
I can't even ride Porsche now

Without you there riding, riding out then slidin' out
'Less you right there beside me
Glide down the street
I like to see you smilin'
Oh yeah, you know I like to see you smilin'
Ain't seen it in a while
A while
Y-Yeah, I like your smile, ain't seen it in a while, while, while
Settle down now
Yeah, uh-huh
(Been a while)
I said it's been a while, while, while (Yeah)
Yeah, yeah, yeah
Know I miss you smilin'
Yeah, yeah, yeah

Yeah, been a while
Baby what's been going on?
And your smile been missin'
Yeah, yeah, yeah
Yeah, been a while
