DJ Spinall

Dtunes on the beat

Sauti sol  
Yeah yeah yeah

What do you know about power  
What do you know about love  
What do you know about people  
What do you know about trust  
What do you know about favour  
Mother fuckers will believe I your nerves  
Everybody knows everything  
But what do they know about us

I wanna know what gives you fever  
I wanna know what makes you feel alright  
Freedom how you dance when you by yourself

I wanna know what gets your attention  
This love is holiday  
DJ Spinall Spinall for more  
Make you step up on the dance floor

Don't take this personal  
Why are you insecure  
I thin we need to go somewhere faraway  
Make some memories  
Baby let your body go away  
Lemme take you on a holiday  
Somewhere in the northern land  
I want to take you to the motherland  
I swear baby  
Baby let your body go away  
Lemme take you on a holiday  
Somewhere in the northern land  
I want to take you to the motherland

This love is holliday
