I really should not have done it
But I did it instead
A lot of people tell me

Am a bad boy fi life
Can't wrong the right
Can't off the light
Can't shut the eyes
Hang on it's time
Am what I am
But I keep seeing the sight
Because

Wanna have fun tonight (Wanna Wanna)
Wanna thank God for life (Wanna)
I-I-I, I just wanna (Wanna)

Wanna make up my mind
Don't wanna be traumatized
