

Dumdrum

Django Django

Dumdrum
Dumdrum
Dumdrum
Dumdrum

Got to keep my energy
It's falling in to jeopardy
All these possibilities
And endless instabilities

Hear it calling, the kick is my love
Watch me falling, the kick is my love

(Dumdrum)

Sleepless insecurity
Fades into obscurity
Overcome this apathy
And step outside reality

Hear it calling, the kick is my love
Watch me falling, the kick is my love

(Dumdrum)

(Dumdrum)

Hear it calling, the kick is my love
Watch me falling, the kick is my love

(Dumdrum)
