

Slipstream

Django Django

It's time to pull away from the pack (and on and on and on)
A feeling like we're breaking away (and on and on and on)
We're trying to get ahead of the field
So fall in my slipstream
But something tells me
We got to keep the pace

Pace

Gotta keep the pace

And I can't turn away now
And I can't turn away now
And I can't turn away now
And I can't turn away now
And I can't turn away now
And I can't turn away now

Still on and on and on
Still on and on and on
Still on and on and on
Still on and on and on
