

I Heard (Pt. 2)

DJDS

This mind just keeps me alive
It pulls me deeper in life
It can't seem to miss you
Can't wish to be with you tonight

Tell me that you're doing fine
'cause I'm falling for you
And you, you know that body ride
If I'm falling right through

Tell me that I'm doing fine
'cause I'm falling for you
And you, you know that body ride
If I'm falling right through
