

## Love

DJDS

Look at you kids with your vintage music  
Coming through satellites lights while we're cruising  
You're part of the past  
But now you're the future  
Signal's crossing  
Can get confusing

It's enough just to make you feel crazy  
Crazy, crazy, sometimes  
It's enough just to make you feel crazy

You get ready  
You get all dressed up  
To go nowhere in particular  
Back to work, or the coffee shop  
Doesn't matter  
'Cause it's enough to be young and in love  
To be young and in love

Look at you kids  
You know you're the coolest  
The world is yours and you can't refuse it  
Seen so much, you could get the blues  
But that don't mean that you should abuse it

It's enough just to make you feel crazy  
Crazy, crazy, I know  
It's enough just to make you feel crazy

You get ready  
You get all dressed up  
To go nowhere in particular  
Back to work, or the coffee shop  
Doesn't matter  
'Cause it's enough to be young and in love  
To be young and in love

Don't worry, baby  
Don't worry, baby

I get ready  
I get all dressed up  
To go nowhere in particular  
Back to work, or the coffee shop  
Doesn't matter If I'm not enough  
For the future or the things to come  
'Cause I'm young and in love  
I'm young and in love
