

No Trust

DJDS

(You're listening to Big Wave
B-B-Big Wave FM)

How come every time
You come around
You don't tell me yourself
Hear from somebody else, uh
You so in your mind
Like all the time
You're like heaven and hell
You don't kiss, you don't tell

I keep on trying to wait up
I give you love but it's not enough
I wait, I wait
I wait, I wait, yeah
I keep on trying to wait up
I give you love but it's never enough
I wait, I wait
I wait, I wait, yeah

You don't express yourself
You don't got no trust
You walk away from
The people that you love
You don't express yourself
You don't got no trust
You walk away from
The people that you love

The people that you love
The people that you love

And after everything
You're still my everything
This I know for sure
It's you I adore, yeah
Every now and then
You stop pretending
You ain't heard that before
And you give me more

I keep on trying to wait up
I give you love but it's not enough
I wait, I wait
I wait, I wait, yeah
I keep on trying to wait up
I give you love but it's never enough
I wait, I wait
I wait, I wait, yeah

You don't express yourself
You don't got no trust
You walk away from
The people that you love
You don't express yourself
You don't got no trust

You walk away from
The people that you love

The people that you love
The people that you love

You don't
You don't
You don't
You don't

You don't express yourself
You don't got no trust
You walk away from
The people that you love
You don't express yourself
You don't got no trust
You walk away from
The people that you love

The people that you love
The people that you love
