

Chateau (Feel Alright)

Djo

Oh my God

Oh, something's wrong with me
Homesick for LA
In the summer of my life
That's when we first met
Through a friend
Something about you makes me feel like a kid
Was it a dream or is it all in the past?
I just thought I ask

So I turn back the time
I'm at the chateau and I feel alright
I turn back the time
I'm at the chateau and I feel alright

The roof in the rain
It's true
I could feel the pain
Of my head, seeing stars
You said "Come to ours"
So I did
It's a decision that I'm glad that I made
I'm still uncertain that it happened at all
I just can't recall

So I turn back the time
I'm at the chateau and I feel alright
I turn back the time
I'm at the chateau and I feel alright
I turn back the time
I'm at the chateau and I feel alright
I turn back the time
I'm at the chateau and I feel alright
So I turn back the time
I'm at the chateau and I feel alright
So I turn back the time
I'm at the chateau and I feel-
