

Gap Tooth Smile

Djo

There she is, gap-tooth smile
God, how lucky can a simple man be?
One life living and a cat beguiled
I know that's my future looking right back at me
I see right through your skin

Yes, I know who you are
Frame up on my baby, she's my superstar
Big heart, all smile
Come on, pretty baby, let's last a while
Last a while with me

Oh, ooh, la, la, that's the spot
Anything's cool if it's done with heart
Makes me roly-poly with her dada smile
No, I didn't say a century, I just said a while
Oh, my God

Ha, ha, she's gone
That's my little missus, she's my number one
My heart in your dreams
Freddy said it right 'cause she's my killer queen
Freddy said it right 'cause she's my killer queen

And I tell her all the time
Yeah
I tell her all the time
How many times?
How many times?
One, two, three, four
Five, six, seven, eight
Nine, ten, eleven, twelve
Thirteen, fourteen, fifteen, sixteen
Seventeen, eighteen, nineteen, twenty
Twenty-one, twenty-two, twenty-three, twenty-four
Twenty-five, twenty-six, twenty-seven, twenty-eight
Twenty-nine, twenty-nine, twenty-nine

It's not fair, it's love
God, I count my blessings from the one-eyed dove
It's her hair, her style
But I fell in love with her gap-tooth smile
But I fell in love with her gap-tooth smile
But I fell in love

Come and find me
