

## Golden Line

Djo

Life can bring you down  
The world can be so cruel  
But I still trust in love  
I find that trust in you

Maybe you can show me how  
My intention was to make you proud  
Yes, it's true  
I do it all for you

You've got a golden line  
I try to live up to  
Time can give  
Can give  
And life can take  
Can take away  
But every day is better with you

How can I repay the due?  
The way you know me, love me, pull me through  
Yes, it's true  
I do it all for you

All for you  
All for you  
For you

Time can give  
Can give  
And life can take  
Take away  
Each and every day

Yes, it's true  
I do it all  
For you
