

I just graduated  
Top of my class  
Furthest from last  
So why do I feel so bad?  
Why do I feel so bad?

I'm emancipated  
Out on my own  
Got it under control  
So why do I feel so bad?  
Why do I feel so bad?

You must do what's right  
I always do what's right  
Black and white  
I think I see a different side  
Tow the line

No, I said hey  
A link's breaking outta the chain  
Hey  
A link's breaking outta the chain  
I got a feeling that a break is gonna happen maybe right now  
Right now  
Come on  
Go there  
Surprise me  
You little link in the chain

Punch in, punch out  
Bad food still swallow  
Same ripped old jeans  
Blind leader, I'd follow  
What does it say about me? What does it say about us?  
I don't know

Cats cradle of a lifetime  
Is it really like this  
Am I just another gel man?  
Don't listen to him, just listen to me  
I think a link is b-b-b-b-breaking free

You must do what's right  
I always do what's right  
Black and white  
I think I see a different side  
Tow the line

I said hey  
A link's breaking out of the chain  
Hey  
A link's breaking outta the chain  
I got a feeling that a break is gonna happen maybe right now  
Right now  
I see you sitting like an arrow  
You little break in the chain  
You little break in the chain
